## **Upgrades at Lockport Street, Meadow Lane in Plainfield**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that the intersection of Lockport Street (Illinois 126) and Meadow Lane, in Plainfield, will be resurfaced, beginning, weather permitting, Tuesday, Aug. 25.

Flaggers will be directing traffic on Lockport Street and Meadow Lane when necessary. Near the end of the project, new traffic signals will be installed and activated to control traffic.

The project will be complete by Nov. 30.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>. Updates on the impacts to traffic are available at [www.travelmidwest.com](http://www.travelmidwest.com).
